

Navigating the VFA Dashboards

To Print, Export the VFA Dashboards:

Export Button: Click on the drop-down. Select "PDF" to create a PDF document (recommended). Other options include Excel, HTML, or Flash.

Please note: All other buttons in the toolbar have been disabled.

Select VFA Measure:

The VFA reports three measure areas:

- 1) Student Progress and Outcomes (SPO)
 - A) Developmental Education Measures
 - B) Two-Year Progress & Outcomes Measures
 - C) Six-Year Outcomes Measures
- 2) Career and Technical Education (CTE)
- 3) Adult Basic Education/GED (ABE/GED)

Click on the boxes to navigate between reporting measures.

Select Collection Year:

Year One collection is the 2013-14 collection year.

Collection Year **2013 Beta:2013** ▼

- 2012-13:
- 2013 Beta:2013 Beta**
- 2013-14:2013-14:20
- 2014-15:

Select Cohort Year:

SPO measures have two cohort years: 1) Six-Year Cohort and 2) Two-Year Cohort

Two-Year Cohort Six-Year Cohort

Cohort Year chooser will not show if there is no information available for alternative cohorts.

Select Cohort Type:

SPO Six-Year Cohort and Two-Year Cohort have (3) Cohort Types:

- A) Main Cohort
- B) Credential Seeking Cohort
- C) First Time In College Cohort

All Cohorts **Main** **Credential Seeking** **First Time in College**

The All Cohort tab shows all three cohort types in one graph.

Additional Measures:

The SPO Developmental Education Measures are additionally broken down into subject areas. Use the radio buttons to navigate between subject areas.

1:Math 2:Reading 3:English 4:English-Reading 5:Any Developmental need

Additional measures collected for Developmental Education and the CTE can be viewed by using the tab set in the top, right corner of the dashboard screen. Only subject areas with data entered will be available to select.

Developmental (By Subjects) **Developmental (Any)**

CTE College Profile **CTE Cohort and Outcomes**
